SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of ________ The Board of Trustees of Edmonton School Division presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

Independent auditor's report

To the Audit Committee of Board of Trustees of Edmonton School Division

Our opinion

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Board of Trustees of Edmonton School Division and its controlled organization (together, the Division) as at August 31, 2023 and the results of its operations, changes in its net debt, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

What we have audited

The Division's consolidated financial statements comprise:

- the consolidated statement of financial position as at August 31, 2023;
- the consolidated statement of operations for the year then ended;
- the consolidated statement of cash flows for the year then ended;
- the consolidated statement of changes in net debt for the year then ended;
- the consolidated statement of remeasurement gains and losses for the year then ended; and
- the notes to the consolidated financial statements, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Division in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Other matter – unaudited information

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the square metre amounts included in schedule 4 and the FTE amounts included in schedule 7. Accordingly, we do not express an opinion on the square metre amounts included in schedule 4 and the FTE amounts included in schedule 7.

Other information

Management is responsible for the other information. The other information comprises the information, other than the consolidated financial statements and our auditor's report thereon, included in the Annual Education Results Report 2022-23 School Year.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Division's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Division or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Division's financial reporting process.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements,
 whether due to fraud or error, design and perform audit procedures responsive to those risks, and
 obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Division's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Division to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Division to express an opinion on the consolidated financial statements.
 We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Board of Trustees of Edmonton School Division

Notes to the Consolidated Financial Statements **August 31, 2023**

1. AUTHORITY AND PURPOSE

The Board of Trustees of Edmonton School Division (the Division) is empowered to provide public education through bylaws approved by its Board of Trustees and under the authority of the *Education Act*, 2012, Chapter E-0.3.

The Division receives funding for instruction and support under the *Ministerial Grants Regulation* (AR215/2022). The regulation allows for the setting of conditions and use of grant monies. The Division is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with the *CPA Canada Public Sector Accounting Standards (PSAS)*. The consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

(a) Reporting Entity and Method of Consolidation

The consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity, which is composed of all organizations, which are controlled by the school jurisdiction. These organizations include

• Edmonton Public Schools Foundation (the Foundation), a foundation established in 2009 by the Division for the purposes of fundraising. The Foundation was incorporated under the *Societies Act* of the Province of Alberta.

The accounts of government sector entities, except those designated as government business enterprises, are consolidated using the line-by-line method. Under this method, accounting policies of the consolidated entities are adjusted to conform to the school jurisdiction's accounting policies and the results of each line item in their financial statements (revenue, expense, assets, and liabilities) are included in the school jurisdiction's results. Revenue and expense, capital, investing and financing transactions and related asset and liability balances between the Division and the Foundation have been eliminated.

(b) Basis of Financial Reporting

Valuation of Financial Assets and Liabilities

The Division's financial assets and liabilities are generally measured as follows:

Financial Statement Component Measurement

Cash and cash equivalents Cost

Accounts receivable Lower of cost or net recoverable value

Accounts payable and other accrued liabilities Cost

Debt Amortized cost

Asset retirement obligations Cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets are the school jurisdiction's financial claims on external organizations and individuals, as well as cash.

Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible into known amounts of cash and are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

Accounts Receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

Liabilities

Liabilities are present obligations of the school jurisdiction to external organizations and individuals arising from past transactions or events occurring before the year-end, the settlement of which is expected to result in the future sacrifice of economic benefit.

They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Accounts Payable and Other Accrued Liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

Deferred Contributions

Deferred contributions include contributions received for operations which have stipulations that meet the definition of a liability per *Public Sector Accounting Standards (PSAS)* PS 3200. These contributions are recognized by the Division once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred contributions are recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred contributions also include contributions for capital expenditures, unspent and spent:

- Unspent Deferred Capital Contributions (UDCC) represent externally restricted supported capital funds provided
 for a specific capital purpose received or receivable by the Division, but the related expenditure has not been
 made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS
 3200 when spent.
- Spent Deferred Capital Contributions (SDCC) represent externally restricted supported capital funds that have been spent but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require the Division to use the asset in a prescribed manner over the life of the associated asset.

Employee Future Benefits

The Division provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The Division accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include the non-registered Supplemental Executive Retirement Program (SERP), retirement allowances and non-vested accumulating sick leave. The future benefits cost is actuarially determined using the projected benefit actuarial cost method pro-rated on service and using management's best estimate of expected salary escalation, benefit usage, termination and retirement rates and mortality. The discount rate used to measure obligations is based on the combined expected future cash flows of each benefit and the rates provided by the Alberta Loans to Local Authorities Office as of August 31, 2023.

Asset Retirement Obligations

Asset retirement obligations are legal obligations associated with the retirement of a tangible capital assets. Asset retirement activities include all activities relating to an asset retirement obligation. These may include, but are not limited to;

- decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed;
- remediation of contamination of a tangible capital asset created by its normal use;
- · post-retirement activities such as monitoring; and
- constructing other tangible capital assets to perform post-retirement activities.

A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

- (a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) the past transaction or event giving rise to the liability has occurred;
- (c) it is expected that future economic benefits will be given up; and
- (d) a reasonable estimate of the amount can be made.

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed.

As the future retirement date is unknown, the asset retirement obligation is measured at the current estimated cost to settle or otherwise extinguish the liability. When the future retirement date is known, a present value technique will be used to measure the liability.

Debt

Debentures are recognized at their face amount less unamortized discount, which includes issue expenses.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- (a) are normally employed to deliver government services;
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

Non-financial assets include tangible capital assets, inventories of supplies and prepaid expenses.

(b) Basis of Financial Reporting (cont'd)

Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost, including amounts directly related to the
 acquisition, design, construction, development, improvement, or betterment of the asset. Cost also includes
 overhead directly attributable to construction as well as interest costs that are directly attributable to the
 acquisition or construction of the asset and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Supported tangible capital assets are capital assets purchased using restricted grants/donations, or received with specific usage. Unsupported tangible capital assets are funded by the Division's own source funds.
- Work-in-progress is recorded as a transfer to the applicable asset class at substantial completion.
- Buildings include site and leasehold improvements as well as assets under capital lease.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the Division to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Spent Deferred Capital Contributions (SDCC).
- Buildings that are demolished or destroyed are written off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.
- Tangible capital assets are amortized over their estimated useful lives, commencing the following year of acquisition, on a straight-line basis, at the following rates:

Buildings 2% to 10%
Vehicles 10%
Computer Hardware & Software 20%
Other Equipment & Furnishings 10%

Inventory of Supplies

Inventory of supplies is valued at the lower of cost and replacement cost. Cost is determined on an average costing basis

Prepaid Expenses

Prepaid expenses are recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

Other Assets

Under the Edmonton Joint Use Agreement: Land, school lands are acquired by the City of Edmonton through reserve dedication. Land interest is transferred to the Division for a nominal cost when a school is built. This land is not recognized in the Division's consolidated financial statements, as the land reverts to the City of Edmonton or another school jurisdiction at nominal cost upon disposition. Only in historical instances does the Division have control over school site land or the proceeds gained on its disposal, typically on sites that were acquired prior to the adoption of provincial planning legislation requiring land dedication or when a portion of land is identified as surplus.

Operating and Capital Reserves

Certain amounts, as approved by the Board of Trustees, are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Net Assets.

Revenue Recognition

All revenues are reported on the accrual basis of accounting. Cash received for which goods or services have not been provided by year end is recognized as unearned revenue and recorded in accounts payable and other accrued liabilities.

Government transfers

Transfers from all governments are referred to as government transfers.

Government transfers and associated externally restricted investment income are recognized as deferred contributions if the eligibility criteria for use of the transfer, or the stipulations together with school jurisdiction's actions and communications as to the use of the transfer, create a liability. These transfers are recognized as revenue as the stipulations are met and, when applicable, school jurisdiction complies with its communicated use of these transfers.

All other government transfers, without stipulations for the use of the transfer, are recognized as revenue when the transfer is authorized and the school jurisdiction meets the eligibility criteria (if any).

Donations and non-Government contributions

Donations and non-government contributions are received from individuals, corporations, and private sector not-forprofit organizations. Donations and non-government contributions may be unrestricted or externally restricted for operating or capital purposes.

Unrestricted donations and non-government contributions are recognized as revenue in the year received or in the year the funds are committed to the Division if the amount can be reasonably estimated and collection is reasonably assured.

Externally restricted donations, non-government contributions and realized and unrealized gains and losses for the associated externally restricted investment income are recognized as deferred contributions if the terms for their use, or the terms along with the Division's actions and communications as to the use, create a liability. These resources are recognized as revenue as the terms are met and, when applicable, the Division complies with its communicated use.

In-kind donations of services and materials are recognized at fair value when such value can reasonably be determined. While volunteers contribute a significant amount of time each year to assist the Division, the value of their services are not recognized as revenue and expenses in the consolidated financial statements because fair value cannot be reasonably determined.

<u>Investment income</u>

Investment income includes interest income earned on the Division's general bank account, Notice Plan account, and Guaranteed Investment Certificate.

Expenses

Expenses are reported on an accrual basis. The cost of goods consumed and services received during the year is expensed.

Program Reporting

The Division's operations have been segmented as follows:

- **ECS Instruction:** The provision of ECS education instructional services that fall under the basic public education mandate.
- **Grade 1 12 Instruction:** The provision of instructional services for Grade 1 12 that fall under the basic public education mandate.
- **Operations and Maintenance:** The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facility expenses.
- **System Administration**: The provision of board governance and system-based / central office administration.
- External Services: All projects, activities, and services offered outside the public education mandate for Pre-Kindergarten children and students in Kindergarten to Grade 12. Services offered beyond the mandate for public education must be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses is reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies & services, school administration & instruction support, and system instructional support.

Trusts Under Administration

The Division has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The Division holds title to the property for the benefit of the beneficiary.

Trusts under administration have been excluded from the financial reporting of the Division. A summary of Trust balances is listed in Note 19.

Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the consolidated financial statements. The Division recognizes a financial instrument when it becomes a party to a financial instrument contract.

Unless otherwise noted, it is management's opinion that the Division is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

The associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from de-recognition of a financial instrument is recognized in the Consolidated Statement of Operations. Impairment losses such as write-downs or write-offs are reported in the Consolidated Statement of Operations.

Measurement Uncertainty

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of consolidated financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates.

The estimated employee future benefits liability of \$9,575,400 (2022 - \$9,556,400) recognized and disclosed in these consolidated financial statements is subject to measurement uncertainty. Actual experience may vary from the assumptions used in the calculations.

There is also measurement uncertainty related to the estimated asset retirement obligation of \$73,273,908 (2022 - \$73,273,908) as it involves estimates in determining settlement amount and timing of settlement. Changes in any of these estimates and assumptions may result in a change to the obligation.

3. CHANGE IN ACCOUNTING POLICY

Effective September 1, 2022, the Division adopted the new accounting standard PS 3280 Asset Retirement Obligations and applied the standard using the modified retroactive approach with restatement of prior year comparative information.

On the effective date of the PS 3280 standard, the Division recognized the following to conform to the new standard:

- asset retirement cost capitalized as an increase to the carrying amount of the related tangible capital assets in productive use;
- · accumulated amortization on the capitalized cost; and
- adjustment to the opening balance of the accumulated surplus/deficit.

Amounts are measured using information and assumptions where applicable that are current on the effective date of the standard. The amount recognized as an asset retirement cost is measured as of the date the asset retirement obligation was incurred. Accumulated amortization is measured for the period from the date the liability would have been recognized had the provisions of this standard been in effect to the date as of which this standard is first applied.

3. CHANGE IN ACCOUNTING POLICY (CON'T)

Impact on the prior year's financial statements as a result of the change in accounting policy is as follows:

4. FUTURE CHANGES IN ACCOUNTING STANDARDS

During the 2023-2024 fiscal year, the Division will adopt the following accounting standard issued by The Public Sector Accounting Board:

• PS 3400 Revenue (effective for years beginning on or after April 1, 2023)

This standard provides guidance on how to account for and report on revenue, and specifically, it addresses revenue arising from exchange transactions and non-exchange transactions.

• PSG 8 Purchased Intangibles (effective for years beginning on or after April 1, 2023)

This standard provides guidelines on how to account for and report on identifiable non-monetary economic resources without physical substance acquired through an arm's length exchange transaction between knowledgeable, willing parties who are under no compulsion to act.

PS 3160 Public Private Partnerships (effective for years beginning on or after April 1, 2023)

This accounting standard provides guidance on how to account for public private partnerships between public and private sector entities, where the public sector entity procures infrastructure using a private sector partner.

Management is currently assessing the impact of these standards on the consolidated financial statements.

5. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include \$750,809 (2022 - \$430,062) for the Foundation.

On November 30, 2022, the Division transferred its balance in a Notice Plan with a floating interest rate (1.06% at the time of transfer) to its general bank account. Effective December 1, 2022, the Notice Plan Agreement stated an interest rate of 0.80%, 2 basis points lower than rates earned in the general bank account, to which the funds were transferred to.

On June 22, 2022, the Division purchased a 30-day cashable Guaranteed Investment Certificate (GIC) for \$30,000,000, with a maturity date of June 22, 2023. Interest was paid and compounded monthly at a rate of 2.2%.

On July 26, 2022, the Division redeemed the GIC and purchased a new 1-year cashable GIC at 3%. In September 2022, as a result of increases to the Bank of Canada interest rates, the Division redeemed the GIC as the interest earned was lower than the overnight rate (3.82%). No new investments have been purchased thereafter.

Interest earned on the GIC prior to cash out totaled \$17,297 (2022 - \$152,242). These amounts are all included in investment income.

7. CONTRACTUAL RIGHTS

Contractual rights are rights of the Division to economic resources arising from contracts or agreements that will result in both assets and revenues in the future when the terms of those contracts or agreements are met.

| | 2023 | 2022 |
|--|------------------|------------------|
| Contractual rights from operating leases | \$ 3,414,422 | \$ 2,511,248 |

| Contractual rights from other agreements * | 921,484 | 1,996,560 |
| Total | \$ 20,603,050 | \$ 27,043,644 |

^{*} Other agreements consist of a revenue sharing agreement with the City of Edmonton for the sale of surplus sites, as well as financial contributions from the Canada Community Revitalization Fund.

7. CONTRACTUAL RIGHTS (CON'T)

Estimated amounts that will be received or receivable for each of the next five years and thereafter are as follows:

| | Operating Leases | Service Agreements | Ą | Grant greements | apital Grant greements | Other |

8. CONTINGENT ASSETS

The Division initiated legal matters where possible assets are being sought. The outcomes from these matters are, at this point, indeterminate.

9. BANK INDEBTEDNESS

The Division has negotiated a line of credit in the amount of \$42,000,000 Canadian dollars and \$200,000 US dollars (the equivalent of \$270,620 Canadian at August 31, 2023) that bears interest at prime less 0.50%. This line of credit is secured by a borrowing bylaw and a security agreement, covering all revenue of the Division. There was no balance outstanding at August 31, 2023 or August 31, 2022.

| Total | \$ | 50,953,331 | \$ 74,787,512 |

^{*} Unearned Revenue over \$5,000 for 2022-23 can be broken down as follows:

- 1. \$4,213,162 in funds received from students enrolled in the International Students Program. Funds are held in Unearned Revenue and are recognized at the start of the applicable school semester.
- 2. \$367,259 in tuition amounts paid by students at Metro Continuing Education for classes that start at a later date.
- 3. \$26,895 in tuition amounts collected in advance from Non-Resident English Language Learners (ELL).
- 4. \$21,877 in unused gift certificates issued by Metro Continuing Education (\$21,162) & Café 1881 (\$715).
- 5. \$50,859 in long-term lease receivable at John A. McDonald School.
- 6. \$49,370 in funds received from the City of Edmonton for use of the sign at Dr. Anne Anderson High School (\$20,000) and rental services at Montrose school (\$29,370).

11. BENEFIT PLANS

Pension costs included in these consolidated financial statements are comprised of the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund (ATRF) are met by contributions by active members and the Government of Alberta. Under the terms of the *Teacher's Pension Plan* Act, the Division does not make pension contributions for certificated staff. The Government portion of the current service contribution to the ATRF on behalf of the Division is included in both revenues and expenses. For the school year ended August 31, 2023, the amount contributed by the Government was \$50,239,822 (2022 - \$55,553,241).

The Division participates in a multi-employer pension plan, the Local Authorities Pension Plan (LAPP), and does not report on any unfunded liabilities. The expense for this pension plan is equivalent to the annual contributions of \$16,861,838 for the year ended August 31, 2023 (2022 - \$17,427,090). At December 31, 2023, the LAPP reported a surplus of \$12,671,000,000 (2022 - surplus of \$11,922,000,000).

11. BENEFIT PLANS (CON'T)

The Division and the Superintendent participate in a multi-employer registered Supplemental Integrated Pension Plan (SIPP). The plan provides a supplement to the ATRF pension to a full 2% of pensionable earnings multiplied by pensionable service, limited by the *Income Tax Act*. The annual expenditure for this pension plan is equivalent to the annual contributions of \$8,694 for the year ended August 31, 2023 (2022 - \$8,405).

The Division does not have sufficient plan information on the LAPP and SIPP to follow the standards for defined benefit accounting, and therefore, follows the standards for defined contribution accounting. Accordingly, pension expense recognized for the LAPP and SIPP is comprised of employer contributions to the plan that are required for its employees during the year, which are calculated based on actuarially pre-determined amounts that are expected to provide the plan's future benefits.

Employee future benefit liabilities consist of the following:

| | 2023 | 2022 |
|--|-----------------|-----------------|
| Accumulating sick pay liability (vested) | 2,605,100 | 2,862,700 |
| Retirement allowances | 6,544,300 | 6,277,000 |
| Other employee future benefits | 426,000 | 416,700 |
| Total | \$ 9,575,400 | \$ 9,556,400 |

12. ASSET RETIREMENT OBLIGATIONS

| | 2023 | | 2022 |
|---|------------------|------|------------------|
| | | (Res | stated - Note 3) |
| Asset Retirement Obligations, beginning of year | \$ 73,273,908 | \$ | 73,273,908 |
| Liability incurred | - | | - |
| Liability settled | - | | - |
| Accretion expense | - | | - |
| Revision in estimates | - | | - |
| Asset Retirement Obligations, end of year | \$ 73,273,908 | \$ | 73,273,908 |

Tangible capital assets with associated retirement obligations include the Division's buildings. The Division has asset retirement obligations to remove hazardous asbestos fibre containing materials from various buildings under its control. Regulations require the school division to handle and dispose of the asbestos in a prescribed manner when it is disturbed, such as when the building undergoes renovations or is demolished. Although timing of the asbestos removal is conditional on the building undergoing renovations or being demolished, regulations create an existing obligation for the school division to remove the asbestos when asset retirement activities occur.

Asset retirement obligations are initially measured as of the date the legal obligation was incurred, based on management's best estimate of the amount required to retire tangible capital assets and subsequently remeasured considering any new information and the appropriateness of assumptions used. The estimate of the liability is based on professional judgment and third-party quotes to validate the amounts.

The extent of the liability is limited to costs directly attributable to the removal of hazardous asbestos fibre containing materials from various buildings under the Division's control in accordance with legislation establishing the liability. The entity estimated the nature and extent of hazardous materials in its buildings based on the potential square meters affected and the average costs per square meter to remove and dispose of the hazardous materials.

Included in ARO estimates is \$73,273,908 measured at its current estimated cost to settle or otherwise extinguish the liability. School division has measured AROs related to hazardous asbestos fibre containing materials at its current value due to the uncertainty about when the hazardous materials would be removed.

13. DEBT

| | 2023 | | 2022 |

15. NET ASSETS

Detailed information related to accumulated surplus is available on the Schedule of Changes in Net Assets. The Division's accumulated surplus is summarized as follows:

| | 2023 | 2022 | | |
|---------------------------------------|-------------------|------|-------------|--|
| Unrestricted surplus | \$ - | \$ | - | |
| Operating reserves | 38,082,457 | | 30,362,929 | |
| Accumulated surplus from operations | 38,082,457 | | 30,362,929 | |
| Investment in tangible capital assets | 124,796,190 | | 95,351,753 | |

| Accumulated surplus | \$ 192,513,836 | \$ | 167,008,491 | |

Accumulated surplus from operations (ASO) includes funds of \$1,802,175 that are raised at the school level and are not available to spend at the board level. The Division's adjusted surplus from operations is calculated as follows:

| Accumulated surplus from operations | \$ 38,082,457 | \$ 30,362,929 |
|--|------------------|------------------|
| Deduct: School generated funds included in | | |

| Total | \$ 24,749,466 | \$ | 44,395,158 |

2022

⁽¹⁾ Building Projects: The Division is committed to \$3,196,507 in Maintenance Projects, some of which are anticipated to be funded by Infrastructure Maintenance Renewal and Capital Maintenance Renewal funding from Alberta Education.

⁽²⁾ Building Leases: The Division is committed to lease office space to provide learning spaces for various outreach and alternative academic programs.

⁽³⁾ Service Providers: as at August 31, 2023, the Division has \$14,481,237 in commitments relating to service contracts. None of these are paid to other school jurisdictions.

16. CONTRACTUAL OBLIGATIONS (CON'T)

Estimated payment requirements for each of the next five years and thereafter are as follows:

| | Building Projects | | Bui | Building Leases | | vice Providers |

17. CONTINGENT LIABILITIES

- a) The Division is involved in legal matters where damages are being sought. The Division has been named in 28 (2022 30) claims of which the outcome is not determinable. The resolution of indeterminable claims may result in a liability, if any, that may be significantly lower than the claimed amount. Accruals have been made in specific instances where it is likely that losses will be incurred based on a reasonable estimate. None of these contingent liabilities involves related parties.
- b) The Division is a member of Urban Schools Insurance Consortium (USIC). Under the terms of its membership, the Division could become liable for its proportionate share of any claim losses in excess of the funds held by USIC. The Division's share of the pool as at August 31, 2023 was \$2,517,320 (2022 \$2,325,901). This amount has not been recognized in the Division's consolidated financial statements.

18. OTHER REVENUE

Other revenue consists of the following:

| | 2023 | 2022 |

21. RELATED PARTY TRANSACTIONS

Related parties are those entities consolidated or accounted for on the modified equity basis in the Government of Alberta consolidated financial statements. Related parties also include key management personnel in the Division and their close family members.

All entities that are consolidated in the accounts of the Government of Alberta are related parties of the Division. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.
