

Alberta School Councils' Association

2023–24 membership

FREE for all school councils in Edmonton Public Schools

For the 2023–24 school year, the Division is providing all school councils with a free membership in the Alberta School Councils' Association (ASCA).

School councils choose to share their contact information with ASCA by checking the “yes” box at the bottom of the school council registration form. Please note, in order to access ASCA’s free online resources, school councils must share executive contact information. All registered school councils will be emailed information on how to access ASCA’s members only section.

Privacy Statement from Alberta School Councils' Association: ASCA is committed to protecting the privacy of the personal information of its members. Personal information gathered by our association is kept in confidence. The information you provide will be used to contact you, when necessary, regarding association business, events and educational issues. We collect, use and disclose personal information only for association business. We do not rent, sell or trade our mailing lists and adhere to all legislative requirements with respect to protecting privacy.

In addition to voting participation at the ASCA Annual General Meeting in the spring, a Division sponsorship opens the doors for school councils to access ASCA online resources free of charge.
