May 1, 2020

Dear parents, guardians and families,

Today, we received confirmation from the Minister of Education Adriana LaGrange that in-school classes will remain cancelled for the entirety of this academic year. While we were expecting this news, I know it is difficult to hear. We miss our students, our families and our normal routines. I know that we will be together in the future and look forward to that day.

While we know in-school classes remain cancelled for this year, we don't know yet when students will return to school in the fall or what that re-entry might look like. The provincial government is considering a number of possibilities. Whatever approach is taken in resuming in-person classes needs to be done safely, under the careful direction and guidance from the province's Chief Medical Officer. The health and well-being of our students and staff is our top priority.

I will share information with you about re-entry plans for next school year as they become available.

Darrel Robertson
Superintendent of Schools
