

# Nellie Carlson

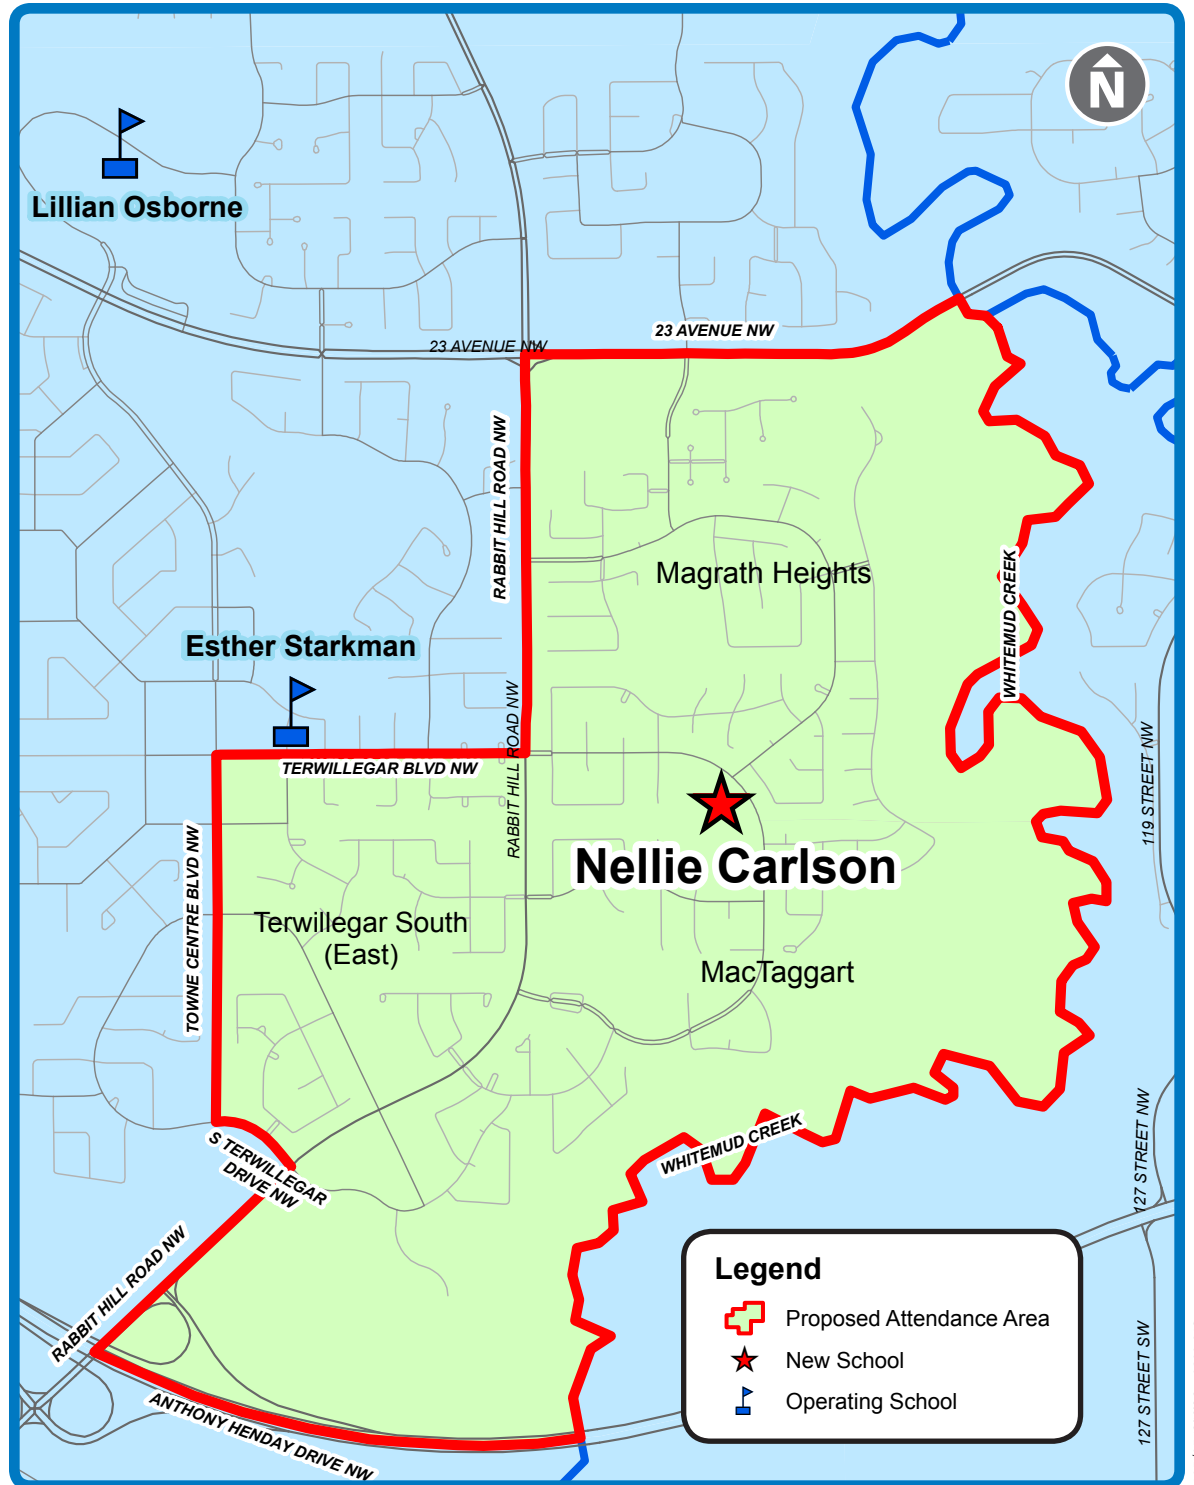

## PROPOSED ATTENDANCE AREA 1

### School information

- Opens for September 2016
- Offering Kindergarten to Grade 9
- 900 Student Capacity
- Open Boundaries with an enrolment limit based on 3 classes per grade

### Attendance Area Considerations

- Accommodates many students previously impacted by growth accommodation efforts at Esther Starkman School.
- Creates additional options for families at neighbouring schools
- Provides local accommodation for as many students as possible

# Nellie Carlson

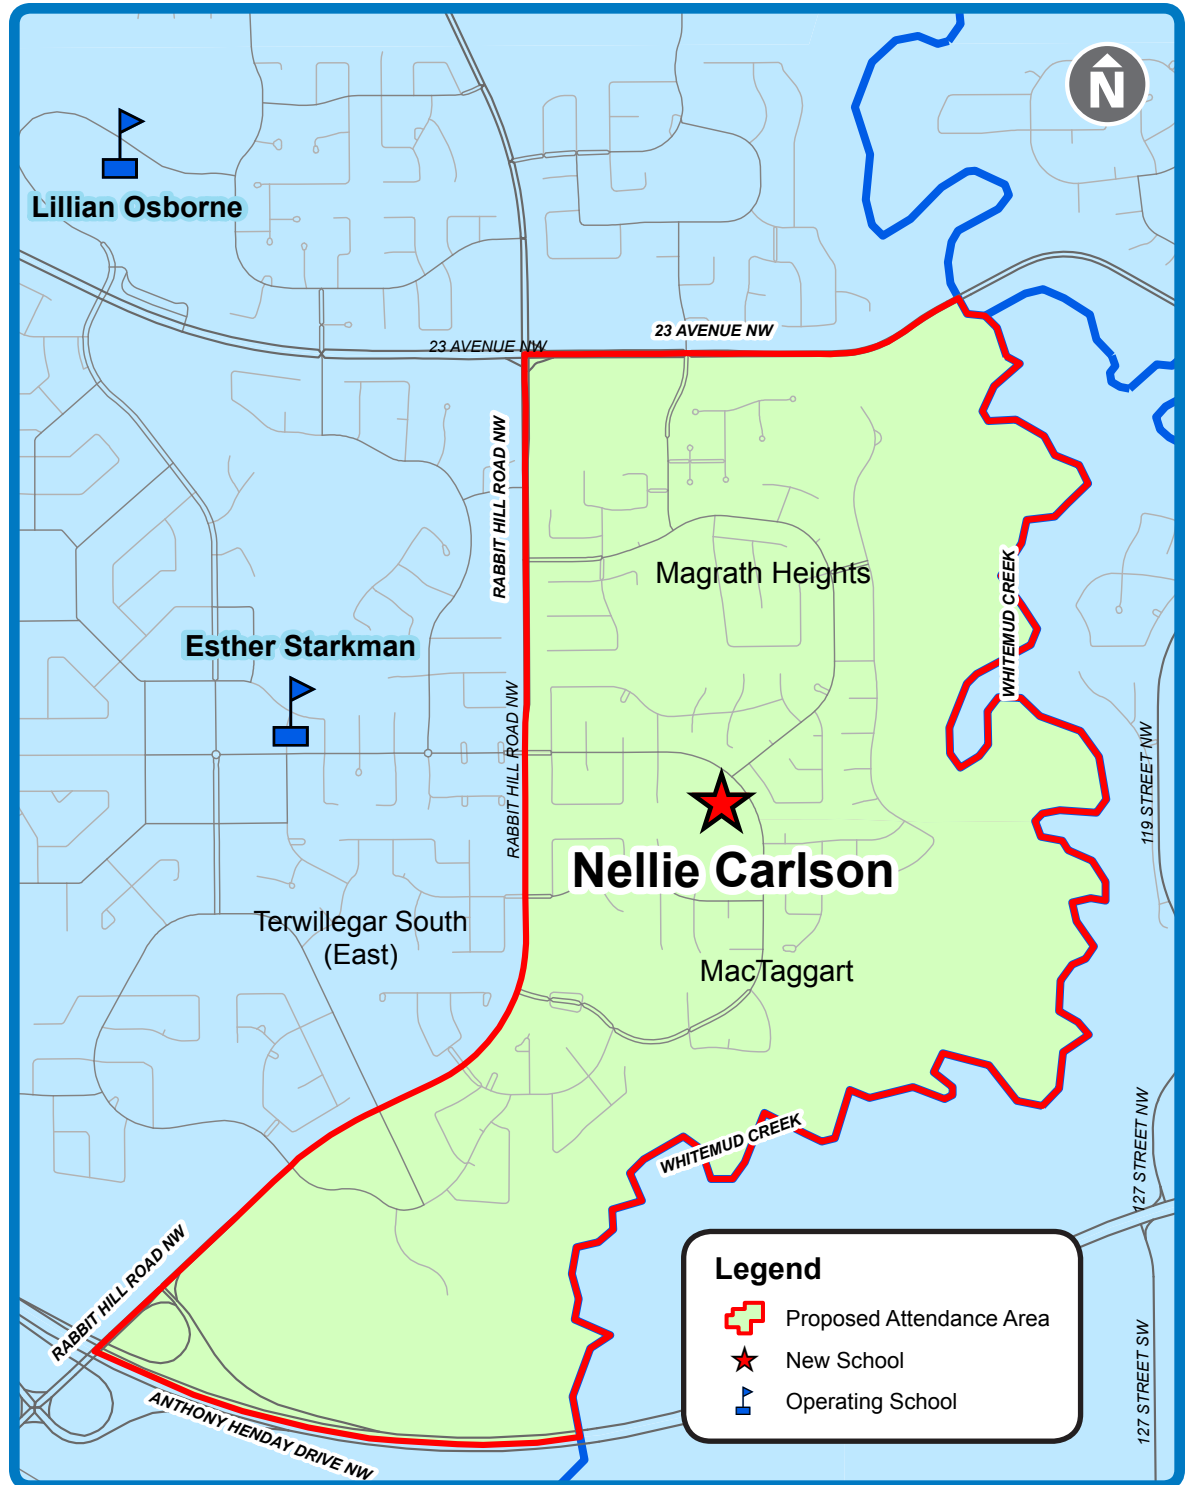

## PROPOSED ATTENDANCE AREA 2

### School information

- Opens for September 2016
- Offering Kindergarten to Grade 9
- 900 Student Capacity
- Open Boundaries with an enrolment limit based on 3 classes per grade

### Attendance Area Considerations

- Accommodates fewer students previously impacted by growth accommodation efforts at Esther Starkman School.
- Creates additional options for families at neighbouring schools
- Magrath and MacTaggart areas are completely developed. Nellie Carlson School has additional space to accommodate a larger attendance area.
