REGULATION

1. Students meeting their school's criteria for selection shall be given opportunity to participate in interschool athletic activities, provided that facilities and appropriate staff are available to coach and/or supervise.
2. Schools shall be provided with opportunities to participate in interschool athletic activities through Division organized league play and must comply with Division Administrative Regulation GICA.AR - Field Trips.
3. Other school jurisdictions shall be permitted to participate in a Division interschool athletic activity when to do so would not reduce the educational benefits of the activity for Division students.
4. Participation in interleague, provincial, interprovincial and international competitions shall be reviewed with reference to Division Administrative Regulation GICA.AR - Field Trips.
